**11:30 AM – 2:00 PM**

Race kit pick up is an open house/drop-in experience where athletes will pick up their race kits and learn about the race. **Transition** is a large, secured area where athletes transition between the run and bike. Athletes will place (rack) their bikes, helmet on the designated rack, with their gear placed under their bike. The transition area is organized in sections by age group. Look for the sign that matches your athlete's bib colour. Each age group section must CLOSE before the first wave of that age group starts in order to maintain a safe transition area. Learn more about the 'transition area' here.

The race starts with the first wave of 3 to 5 year olds at 8:25 am.

The final wave for TRi KiDS Burlington for the 12-13 age group is at 2:56 pm.

Athletes receive their **wave #** and **wave start time** at race kit pick up. This information is printed on the back of their bibs and on the tear-off portion of the bib. Remember to tear off the bottom portion of the race bib for reference during the race.
