RACE WEEKEND SCHEDULE

RACE KIT PICK UP – SATURDAY, MAY 23

11:30 PM – 2:00 PM

Race kit pick up is an open house/drop-in experience where athletes will pick up their race kits and learn about the race. Plan for about an hour at race kit pick up so that you can attend an orientation session and collect your bib, shirt, kit, etc. Race kit pick up is busy just prior to each orientation session.

Upon arrival:

1. Line up by your last name to check in and receive your race bib.
2. Pick up your TRi KiDS bag and accompanying goodies.
3. Pick up your TRi KiDS racer t-shirt.
4. Get body marked. Body marking can also be done on race day.
5. View course maps, wave lists. Course maps are also found here.
6. Check out the TRi KiDS merchandise table.
7. Attend an orientation session. Orientation sessions take place just outside the facility doors, on the grass next to the transition area.

Orientation Session Time:

12:00 PM

Orientation sessions take place in front of the transition area, on the grass to the left of the facility.

Is attending an orientation session mandatory?

While orientation sessions are not mandatory we strongly encourage all athletes and parents to attend a session of their choice. Orientations cover important information about race day including parking, preparation for race day, arrival times, setting up your gear in transition, race course layout, and much more.

Transition is a large, secured area where athletes transition between the run and bike. Athletes will place (rack) their bikes, helmet on the designated rack, with their gear placed under their bike. The transition area is organized in sections by age group. Look for the sign that matches your athlete's bib colour. Each age group section must CLOSE before the first wave of that age group starts in order to maintain a safe transition area. Learn more about the 'transition area' here.

The race starts with the first wave of 3 to 5 age group is at 8:30 am.

The final wave for TRi KiDS London for the 14 - 15 age group is at 1:10 pm.

Athletes receive their **wave #** and **wave start time** at race kit pick up. This information is printed on the back of their bibs and on the tear-off portion of the bib. Remember to tear off the bottom portion of the race bib for reference during the race.

Head straight to transition and set up your gear before the closing time. Bike racks are labelled by colour/age group. Set up quickly and exit.

I **did not attend** Race Kit Pick Up on Saturday. I need to check in and pick up my race bib.

- Athletes should arrive ready to race.
- Look for the bike racks signs that match the colour of your bib and rack (park) your bike with your helmet. Hang your helmet on your bike.

- Transition is not a spectator area, once you are set-up please exit.

- Athletes in the 3 to 5 age group **MUST** be accompanied by an adult in the water. Come prepared to get in the pool with your athlete. You must be within arm's length regardless of their swimming ability. Adults will be able to walk across the width of the pool in the shallow end.

- Helmets must be fastened securely before athletes can touch their bikes
- **NO HELMET = NO RACE. NO SHIRT = NO RACE**. Athletes must have their torso (chest and stomach) covered for the bike and run portions of the race.
- Visit our website for equipment (bikes) rules. Triathlon Ontario sets out restrictions and guidelines which are followed at all TRi KiDS races.
- Athletes will walk/run with their bikes to the ON MY BIKE sign and head off on the bike course. Assisting parent exits the course at this point.

- Older athletes will be completing multiple loops of the bike course. Be sure your athlete understands the looping process and where you will be standing to help them count loops.
- Upon completion of the required loop(s) the athlete will dismount and bring their bike and helmet to the DROP TRANSITION. This transition is separate from the main transition. Athletes leave their bikes and helmets and head off on the run.
